

Milwaukee School of Engineering 2021-2022 Dependent Verification Worksheet

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for a review process called "Verification." MSOE is required by the Department of Education to review the requested information under 34 CFR, Part 668.

Please submit all required documentation by our priority deadline of July 1st, 2021, or if after, within 15 business days of notification from MSOE.

If you use the IRS Data Retrieval Tool and/or submit FAFSA corrections to retrieve income or tax data, please note that it can take up to a week for MSOE to receive the updated FAFSA. Your financial aid will not be determined and/or disbursed until all verification requirements are completed.

To retrieve tax or income information, you can use the "Get Transcript" tool on www.irs.gov, call 1-800-908-9946, or fill out IRS Form 4506-T and return directly to the IRS via fax or mail. This can also be utilized for a 2019 Verification of Non-Filing Letter if you have not filed taxes.

What to do:

1. Complete steps 1 – 5 and sign the Verification Worksheet. **Read all instructions as errors can delay processing of your financial aid.**
2. Submit required documents to the Financial Aid Office via fax (414-277-6952), in person (CC431), or mailed to our attention. Be aware that MSOE may ask for additional information or forms. Please send all necessary information in a timely manner to continue the process.
3. Upon receipt of all documents, MSOE will review and submit corrections to the Department of Education, if necessary.
