“Sometimes life surprises us, and there’s no way for us to anticipate the turn of events from year-to-year, month-to-month or even day-to-day. What I do know, however, is that because of the skillset, work ethic and amazing group of friends I’ve acquired here at MSOE, I will be able to face whatever the future throws at me. Moreover, the privilege of attending such a rigorous school wouldn’t have been possible without the generous contributions from donors like you.”
