5. Veterans Benefits Payment Agreement

1. The payment of veteran educational benefits requires that a student is actually enrolled in and attending classes. An enrolled student is one who has registered and paid the required fees.
2. You must submit a copy of your VA form 22-1990 or 22-1995 to MSOE.
3. You must submit a copy of your DD214 (Certificate of Release or Discharge from Active Duty) or NOBE (Selected Reserve Educational Assistance Program Notice of Basic Eligibility) with the Veterans' Certifying Official.
4. You must submit transcripts of all previous coursework and military training for transfer credit/advanced standing to MSOE.
5. If a student receiving VA benefits drops or adds courses or fails to reenroll in a term for which certification was requested above, it is that student's responsibility to notify MSOE's Financial Aid Office immediately. If such changes of course load or enrollment are not reported, the student will be required by law to refund the overpayment.
6. All students are required to submit a Change of Program Form with MSOE's Registrar's Office if they change programs. This form will be forwarded to MSOE's Financial Aid Office to keep your records updated.
7. All students are required to maintain a cumulative grade point average of at least 2.0. In line with VA unsatisfactory progress requirements, we are required to report termination due to unsatisfactory progress to the VA if a student remains on academic probation beyond two terms.
8. Veterans educational benefits will be terminated due to non-attendance or non-participation in classes.
9. Benefits may be certified only for required courses and electives needed for the selected program as specified on the curriculum.
10. Chapter 33, Chapter 30, Chapter 1606, and Chapter 35 (DEA) must verify enrollment with the VA monthly.
11. MSOE will only award gift aid up to MSOE's cost of attendance after veterans educational and other federal, state, and institutional gift aid has been applied.

I, the undersigned, have read the items above and do hereby understand them and will abide by them. My signature below indicates the information on the previous page is true and correct. I give my permission for VA representatives to review my educational records. I understand that I am responsible for paying fees and tuition within the deadlines established by the MSOE.
