## College Confidence

Attending college can feel a lot like navigating a new city; new responsibilities, policies and deadlines to follow and information spread across a lot of different offices. In this session, the Raider Center for Academic Success (RCAS) staff will help break down what you need to know to make your way as a Raider.

## Raider Tech 101

Learning in the 21st century requires many types of technology. In this session, staff from Student Affairs and IT will help you navigate the software platforms we use at MSOE. You will leave confidently knowing how to contact our student portal *myMSOE*, communicate with the MSOE community through *Microsoft Outlook* and *Teams*, and interact with course content on our learning management system *Canvas*.

**Beyond the Classroom**

You may have chosen MSOE for the classroom experience, but most of the memories and lifelong friendships you make are created beyond the classroom. In this session, staff from Student Affairs and Campus Inclusion will give you the low-down on life at MSOE—everything from where to eat, traditions and values we hold, ways to socialize and connect with other students and more.
