

## Courses to Support Academic Success

MSOE has a variety of courses that can help you to improve areas from your time management and study skills to your English grammar. Courses range from 0-3 credits and are offered at various times throughout the year.

### Raider Success Courses

These 0–1-credit courses will help you to identify obstacles that are getting in the way of your academic success and develop a personalized plan to overcome your challenges.

OR-1910 – Foundations of International Student Success

OR-0911 – Foundations of Student Success

OR-0913 – Perspective, Potential & Purpose

OR-0914 – Mind, Mood & Movement

### English for Academic Purposes (EAP) Courses

These 3-credit courses have been developed to help students improve their English skills, while at the same time focusing on topics that are relevant and conducive to university student success.

GS-090 – Intensive Grammar Application

GS-092 – Academic Research Paper

GS-093 – Introduction to Primary Research and Data Analysis

GS-094 – Academic Communication Skills

GS-095 – Critical Reading
