

2018-19 DEGREE PROGRAM OFFERINGS

Undergraduate Majors

- Actuarial Science
- Architectural Engineering
- Biomedical Engineering
- BioMolecular Engineering
- Business Administration
- Civil Engineering
- Computer Engineering
- Computer Science
- Construction Management
- Electrical Engineering
- Electrical Engineering AAS-EET to BSEE Transfer Plan
- Engineering*
- Industrial Engineering
- Mechanical Engineering
- Nursing
- Software Engineering
- User Experience

* part-time evenings

Graduate Degrees

- Architectural Engineering
- Civil Engineering
- Engineering
- Engineering Management
- Marketing and Export Management
- MBA
- MBA in Education Leadership
- MBA in STEM Leadership
- New Product Management
- Nursing
- Perfusion

To protect anonymity due to a small number of graduates, information from the B.S. in Engineering, Mechanical Engineering Technology and User Experience and Communication Design programs have been omitted from this table.

¹Does not include students on F1 or J1 visas

²Four of these graduates were employed but were still looking for satisfactory employment in their field

³The number of graduates who were satisfactorily employed, enrolled in graduate school or joined the military, divided by number reporting

*Includes a double-major
