

Douglas Seaman Memorial Scholarship

The MSOE Financial Aid Office is pleased to announce that we are currently accepting applications for the Douglas Seaman Memorial Scholarship. Two qualified students will receive a **\$12,500** scholarship each for the 2018-2019 school year.

Money awarded from this scholarship will first be used to cancel any loans you may have, and then the remainder will be awarded as additional funds.

This scholarship may be renewable if the recipient fulfills the criteria listed below.

The scholarship recipients may be eligible for a compensated mechanical engineering internship with Douglas Dynamics in the summer of 2019, if offered.

Criteria

1. Be a full-time student with academic status as a freshman in the Fall of 2018.
2. A permanent United States citizen seeking a professional baccalaureate degree in mechanical, industrial, electrical, civil, computer, software, biomedical, or biomolecular engineering from MSOE.
3. Students must have lived in one of the following counties for a period of at least four years prior to attending MSOE and have graduated from a local high school: Dodge, Fond Du Lac, Jefferson, Kenosha, Milwaukee, Ozaukee, Racine, Sheboygan, Walworth, Washington, or Waukesha county.
4. Maintain a MSOE minimum grade point average of 3.0 or higher on a 4.0 scale.
5. Applicants must have no prior criminal record and must be of good moral

To Apply

Complete the [Scholarship Report Form](#) and return it to the MSOE Financial Aid Office:

1025 N. Broadway Milwaukee, WI 53202
or Finaid@msoe.edu
or fax to: 414-277-6952

Deadline:
April 27, 2018

Be sure to heed the following:

1. In your essay, state why this scholarship is important, why you want to be an engineer, and your career plans.
2. Be sure to physically sign the report form; we cannot accept typed signatures!
