

The Hatco Roderick Chaudoir '48 Engineering Scholarship

This scholarship is for \$5000 additional dollars for the upcoming school year and may be renewable if the recipients fulfill the agreed upon criteria below and re-applies.

Criteria

1. Be a qualified, full-time student with academic status as a sophomore, junior, or senior in the fall of the upcoming school year.
2. Be seeking a professional, baccalaureate degree in Mechanical, Electrical or Industrial Engineering with an expressed interest in mechanical design, control design, manufacturing or energy systems, from MSOE.
3. Primary preference given to students who primarily reside in Brown, Door, or Kewaunee County.
4. Maintain a MSOE minimum grade point average of 2.5 or higher.

Internship/Employment

1. Recipients will be eligible for an internship at the Hatco facility in Sturgeon Bay, if offered.
2. Schedule permitting, be willing to attend selected MSOE professional and social functions as a Hatco scholar.
3. Be willing to consider the potential of full-time employment with Hatco following graduation.
