

Address and Major Change Reporting

Address Change

Keeping a current address is part of maintaining your F1 visa status. Whenever you move, you must:

1. [Change your Address](#) with MSOE
2. Email your DSO with your new address to update your SEVIS record

Major Change

Before deciding to change your major, you should consult your faculty advisor as well as the new program chair or director. You should also seek major exploration resources when making such an important decision.

Once you make your final decision, you should:

1. Fill out and submit the [Change of Program Request form](#) with the Registrar's Office
2. Complete the [I-20 request form](#) to receive an updated I-20 from your DSO
