

# Johnson Controls Scholarship

The MSOE Financial Aid Office is currently accepting applications for the 2018-2019 Johnson Controls Scholarship. Up to four qualified students will receive a **\$30,638 half-tuition, technology, and room and board scholarship for the 2018-2019 school year**. This scholarship may be renewable if the recipient fulfills the criteria below. Up to one scholarship will be available for students who studied at St. Joan Antida.

*\*Standard room and board is a double room in Margaret Loock or Roy W. Johnson Halls and a standard meal plan. The housing portion of this scholarship is only available if student is living in MSOE housing.*

## Criteria

1. Be a full-time student with academic standing of a freshman or sophomore in Fall 2018.
2. Be seeking a Computer Science or Computer, Electrical, Mechanical, or Software Engineering degree from MSOE.
3. **Preference** will be given to:
  - (a) Female and/or minority students
  - (b) Those students that demonstrate need
4. Must maintain a MSOE minimum grade point average of 2.5 on a 4.0 grading system. Failure to meet the minimum GPA will result in a probation period and may result in the loss of the scholarship.

## Responsibilities & Internship

1. As advised, actively participate in programs to ensure academic success and full integration into the academic community.
2. Recipients may be eligible for an internship at Johnson Controls, if offered.
3. Schedule permitting, be willing to serve as a campus liaison for Johnson Controls, Inc. and attend selected MSOE professional and social functions as the Johnson Controls, Inc. Scholar.
4. If offered, must be willing to consider full-time employment with Johnson Controls, Inc. following graduation.

## To Apply

Complete the [Scholarship Report Form](#) and turn it into the Financial Aid Office by the deadline of:

**October 5th, 2018**

*Please note, we are unable to accept applications with a typed signature.*
