

The Precision Plus Engineering Scholarship

We are now accepting applications for the Precision Plus, Inc. Engineering Scholarship. One student will receive up to an additional \$9,000 scholarship for the upcoming school year, and it may be renewable if the recipient fulfills the criteria below.

Criteria

1. Be a full-time student with academic status of a freshman, sophomore, or junior in the upcoming academic year. Preference to current freshmen.
2. Be seeking a professional, baccalaureate degree in Mechanical Engineering or Industrial Engineering.
3. Have a minimum MSOE GPA of a 3.0 or a high school GPA of a 3.5.
4. Preference will be given to students with permanent addresses in Walworth County, WI or McHenry County, IL.
5. Preference to students who demonstrate financial need.

Internship Opportunity

In accepting the Precision Plus, Inc. Scholarship, the recipient may be eligible for a compensated internship, if offered. This internship is hands-on and focuses on problem solving in a real-world, applications-driven environment.
