

Raider Responsibility Pledge

MSOE is the university of choice for those seeking an inclusive community of experiential learners driven to solve the complex challenges of today and tomorrow. The COVID-19 global pandemic, and the risks it poses to our community, is one of those complex challenges we have been tasked with solving. As a Raider, we all have a responsibility to ourselves, others and the Raider community to observe heightened health and safety precautions this academic year. We all have a role to play in the health and safety of our community. It is up to each of us to conscientiously do our part.

As a responsible Raider I pledge to:

Protect Myself

- Monitor and report symptoms
- Practice good hygiene
- If able, get vaccinated for the flu

Protect Others

- Practice physical distancing
- Wear an appropriate face covering
- Stay home if feeling ill or have symptoms
- Avoid crowded social gatherings
- Cover coughs and sneezes

Protect the Raider Community

- Keep informed about how the virus spreads
- Participate in testing and contact tracing as needed
- Comply with policies designed to protect the Raider community
- Participate in daily wellness checks
- Keep spaces sanitized
- Acknowledge that other members of the Raider community may be more vulnerable

Together we can BE EXTRAORDINARY
