

SCHOLARSHIP ANNOUNCEMENT

PURPOSE

The STEM Forward Scholarship Award recognizes outstanding students from the Milwaukee area who are enrolled in STEM related programs in order to encourage talented students to maintain high standards of academic achievement and service.

BACKGROUND

STEM Forward was founded in 1905. Originally conceived as a "cooperative body, broad enough in scope to meet the needs of all engineers in the community", STEM Forward has evolved into the region's leading technical organization providing educational outreach programs emphasizing Science, Technology, Engineering and Mathematics (STEM).

The scholarship program was initiated in 1939, and relies on the contributions from STEM Forward membership and proceeds from our golf outing. Scholarship Awards are presented to talented Milwaukee area residents who are enrolled in local STEM related college programs. It is in the interest of the community for such talented young people to ultimately practice their profession in Milwaukee.

CANDIDATE REQUIREMENTS

Scholarship recipients must be currently enrolled in a STEM related program at Marquette University, Milwaukee Area Technical College, Milwaukee School of Engineering or University of Wisconsin - Milwaukee.

Scholarship candidates shall have demonstrated high levels of academic achievement (at least a B average); potential for success in a STEM field, and strength of character. **Please attach a copy of the latest grade report and one letter of recommendation to the completed application.**

The deadline to submit your application is Tuesday, May 1, 2018.

AWARD PRESENTATIONS

Scholarship recipients shall be nominated by the Dean of the college in which they are enrolled and awards shall be designated by STEM Forward. Each recipient will receive a \$2,000 monetary award for one year only. Proof of enrollment is required prior to receiving scholarship funds. **Recipients should plan to attend the STEM Forward Invitational Golf luncheon on Thursday, August 16th at Morningstar Golf Course in Waukesha.**

STEM Forward does not discriminate on the basis of race, color, national or ethnic origin, religion, age, sex, marital status, or handicap in administration of its policies, activities, membership selection, or scholarship programs.
