What are the benefits I will receive under TA? (Cont.)

TA will pay toward one credential at each of the following levels:

Associate degree, bachelor's degree, master's degree, undergraduate/graduate certificate
First professional degrees are NOT eligible (e.g., doctorate degrees, juris doctorates)
Tuition assistance is for advancing your post-secondary education, so it may not be used to achieve a lower or lateral diploma or degree.

Exceptions: Initial state teacher certifications, chaplain certification or prerequisites for the Interservice Physician Assistant Program (IPAP) may be eligible after receiving a master's degree.

Remember, FTA is tuition assistance, which means it is for tuition only. It does not cover fees, examinations, e-learning or other expenses that are outside of an official degree plan.
